

ses_status_common

```
graph BT; A[ses_status_current_sensor] -.->|common| B[ses_status_common];
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'ses_status_common'. The bottom box is gray with a black border and contains the text 'ses_status_current_sensor'. A vertical dashed purple line connects the bottom of the gray box to the top of the white box, ending in a solid purple arrowhead pointing upwards. To the right of the dashed line, the word 'common' is written in black text.
