

ctl_ie_page_handler

```
graph LR; A[ctl_ie_page_handler] --> B[ctl_ie_timer]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'ctl_ie_page_handler'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'ctl_ie_timer'.

ctl_ie_timer
