

aac\_disk\_strategy

```
graph LR; A[aac_disk_strategy] --> B[aac_submit_bio]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'aac\_disk\_strategy'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'aac\_submit\_bio'.
