

acpi_tz_startup

```
graph LR; A[acpi_tz_startup] --> B[acpi_tz_thread]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'acpi_tz_startup'. The right box is gray with a black border and contains the text 'acpi_tz_thread'. A blue arrow points from the right side of the first box to the left side of the second box, indicating a call or relationship between the two.
