

akbd_read_char

```
graph LR; A[akbd_read_char] --> B[keycode2scancode]
```

A diagram showing a call from the function `akbd_read_char` to the function `keycode2scancode`. The `akbd_read_char` box is shaded gray, and the `keycode2scancode` box is white. A blue arrow points from the right side of the `akbd_read_char` box to the left side of the `keycode2scancode` box.

keycode2scancode
