

symtable\_dump

```
graph LR; A[symtable_dump] --> B[aic_print_reg_dump_start];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'symtable\_dump'. The right box is gray with a black border and contains the text 'aic\_print\_reg\_dump\_start' on two lines. A blue arrow points from the right side of the left box to the left side of the right box.
