

`symtable_dump`

```
graph LR; A[symtable_dump] --> B[aic_print_reg_dump_types]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text `symtable_dump`. The right box is gray with a black border and contains the text `aic_print_reg_dump_types`. A blue arrow points from the right side of the left box to the left side of the right box.
