

al\_probe

```
graph LR; al_probe[al_probe] --> al_is_device_supported[al_is_device_supported]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'al\_probe'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'al\_is\_device\_supported'.

al\_is\_device\_supported
