

bnxt_priv_ioctl

```
graph LR; A[bnxt_priv_ioctl] --> B[bnxt_hwrn_nvm_verify_update]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'bnxt_priv_ioctl'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'bnxt_hwrn_nvm_verify_update' on two lines.
