```

The diagram illustrates a dependency structure. At the top is a grey rectangular box containing the text 'dev/bwn/if_bwn_phy_n.h'. Below it are two white rectangular boxes with black borders. The left box contains 'dev/bwn/if_bwn.c' and the right box contains 'dev/bwn/if_bwn_phy_n.c'. Two blue arrows point from the top-right corner of the left box and the top-left corner of the right box towards the bottom edge of the top box, indicating that both source files depend on the header file.
