

regpair_t

```
graph BT; event_ring_next[event_ring_next] -.->|addr| regpair_t[regpair_t];
```

The diagram illustrates a pointer relationship. At the bottom, a gray-shaded rectangular box contains the text 'event_ring_next'. A vertical dashed purple line extends upwards from the top center of this box. At the end of this line is a solid purple arrowhead pointing upwards. To the right of the dashed line, the text 'addr' is written. Above the arrowhead, a white rectangular box with a black border contains the text 'regpair_t'.
