

regpair_t

```
graph BT; A[iscsi_data_pdu_hdr_little_endian] -.->|lun| B[regpair_t];
```

The diagram illustrates a pointer relationship. At the top is a white rectangular box labeled 'regpair_t'. Below it is a grey rectangular box labeled 'iscsi_data_pdu_hdr_little_endian'. A dashed purple arrow points from the top of the grey box to the bottom of the white box. The label 'lun' is positioned to the right of the arrow's shaft.
