

elink_8073_config_init

elink_8073_read_status

elink_8073_is_snr_needed

```
graph LR; A[elink_8073_config_init] --> C[elink_8073_is_snr_needed]; B[elink_8073_read_status] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text 'elink_8073_config_init' and the bottom box contains 'elink_8073_read_status'. On the right, there is a single box containing 'elink_8073_is_snr_needed'. Two blue arrows originate from the right side of the top-left box and the right side of the bottom-left box, both pointing towards the left side of the rightmost box. The rightmost box has a light gray fill, while the other two are white with black borders.
