

t4_ioctl

```
graph LR; t4_ioctl[t4_ioctl] --> set_filter_mode[set_filter_mode];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 't4_ioctl'. The right box is gray with a black border and contains the text 'set_filter_mode'. A blue arrow points from the right side of the first box to the left side of the second box.

set_filter_mode
