

mod_event

```
graph LR; A[mod_event] --> B[t4_sge_extfree_refs]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'mod_event'. The right box is gray with a black border and contains the text 't4_sge_extfree_refs'. A blue arrow points from the right side of the first box to the left side of the second box.
