

dtsec_fm_mac_mdio_event
_callback

```
graph LR; A[dtsec_fm_mac_mdio_event_callback] --> B[dtsec_fm_mac_ex_to_str]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray fill and a black border, containing the text 'dtsec_fm_mac_mdio_event_callback' on two lines. The right box has a white fill and a black border, containing the text 'dtsec_fm_mac_ex_to_str' on one line.
