

e1000_read_pba_num

```
graph LR; A[e1000_read_pba_num] --> B[e1000_read_pba_num_generic];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'e1000_read_pba_num'. The right box is gray with a black border and contains the text 'e1000_read_pba_num_generic' on two lines. A blue arrow points from the right side of the left box to the left side of the right box.
