

em_isc_rxd_pkt_get

```
graph LR; A[em_isc_rxd_pkt_get] --> B[em_determine_rsstype];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'em_isc_rxd_pkt_get'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'em_determine_rsstype'.
