

em\_if\_resume

```
graph LR; A[em_if_resume] --> B[e1000_resume_workarounds_pchlan]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'em\_if\_resume'. The right box is gray with a black border and contains the text 'e1000\_resume\_workarounds\_pchlan' on two lines.
