

e1000_host_command_header

```
graph BT; A[e1000_host_command_info] -.-> B[e1000_host_command_header];
```

The diagram illustrates a relationship between two data structures. At the top is a white box labeled 'e1000_host_command_header'. At the bottom is a grey box labeled 'e1000_host_command_info'. A vertical dashed purple line with a solid purple arrowhead at the top points from the grey box to the white box. The text 'command_header' is positioned to the right of the dashed line, between the two boxes.
