

dev/ena/ena_datapath.h

```
graph BT; A[dev/ena/ena.c] --> B[dev/ena/ena_datapath.h]; C[dev/ena/ena_datapath.c] --> B;
```

The diagram illustrates a dependency relationship between source files and a header file. At the top is a grey rectangular box containing the text 'dev/ena/ena_datapath.h'. Below it are two white rectangular boxes with black borders. The left box contains 'dev/ena/ena.c' and the right box contains 'dev/ena/ena_datapath.c'. Two blue arrows originate from the top-right corner of the left box and the top-left corner of the right box, both pointing towards the bottom edge of the top box.
