

phy_usb_get_mode

```
graph LR; A[phy_usb_get_mode] --> B[phynode_usb_get_mode]
```

The diagram consists of two rectangular boxes. The left box is white with a black border and contains the text 'phy_usb_get_mode'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'phynode_usb_get_mode'.
