```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'clknode\_init\_def'. The bottom box is gray with a black border and contains the text 'clk\_mux\_def'. A vertical dashed purple line connects the bottom of the top box to the top of the bottom box. A solid purple arrowhead points upwards from the top of the dashed line to the bottom edge of the top box. The text 'clkdef' is positioned to the right of the dashed line, between the two boxes.
