

hptiop_get_config_mv

hptiop_set_config_mv

hptiop_send_sync_request_mv

```
graph LR; A[hptiop_get_config_mv] --> C[hptiop_send_sync_request_mv]; B[hptiop_set_config_mv] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text 'hptiop_get_config_mv' and the bottom box contains 'hptiop_set_config_mv'. On the right, there is a single, wider box containing the text 'hptiop_send_sync_request_mv'. Two blue arrows originate from the right side of the two boxes on the left and point towards the left side of the box on the right, indicating a flow or dependency from the left boxes to the right box.
