The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text 'hptiop_get_config_itl' and the bottom box contains 'hptiop_set_config_itl'. On the right, there is a single, wider box containing the text 'hptiop_send_sync_request_itl'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the right box, indicating a flow or dependency from the left boxes to the right box.
