

iser\_conn\_connect

```
graph LR; A[iser_conn_connect] --> B[iser_alloc_login_buf];
```

The diagram consists of two rectangular boxes. The left box is white with a black border and contains the text 'iser\_conn\_connect'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'iser\_alloc\_login\_buf'.
