

iwm_set_hw_ready

```
graph LR; A[iwm_set_hw_ready] --> B[iwm_poll_bit]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'iwm_set_hw_ready'. The right box is white and contains the text 'iwm_poll_bit'. A blue arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or flow from the first function to the second.
