

ixv_if_init

```
graph LR; A[ixv_if_init] --> B[ixv_initialize_receive_units]
```

The diagram consists of two rectangular boxes. The left box is white with a black border and contains the text 'ixv_if_init'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'ixv_initialize_receive' on the top line and '_units' on the bottom line.
