

ixgbe_if_tx_queues
_alloc

```
graph LR; A[ixgbe_if_tx_queues_alloc] --> B[ixgbe_if_queues_free]
```

A diagram illustrating a flow or relationship between two components. On the left, a gray rectangular box contains the text 'ixgbe_if_tx_queues' on the top line and '_alloc' on the bottom line. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'ixgbe_if_queues_free'.
