

ixl\_find\_filter

```
graph LR; A[ixl_find_filter] --> B[ixl_ether_is_equal]
```

A diagram showing a call from the function `ixl_find_filter` to the function `ixl_ether_is_equal`. The `ixl_find_filter` box is shaded gray, and the `ixl_ether_is_equal` box is white. A blue arrow points from the right side of the `ixl_find_filter` box to the left side of the `ixl_ether_is_equal` box.
