

qsphy\_reset

```
graph LR; A[qsphy_reset] --> B[mii_phy_reset]
```

A diagram showing a dependency between two variables. On the left is a gray rectangular box containing the text 'qsphy\_reset'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right containing the text 'mii\_phy\_reset'. Both boxes have a black border.

mii\_phy\_reset
