

mlx4\_SW2HW\_MPT\_wrapper

```
graph LR; A[mlx4_SW2HW_MPT_wrapper] --> B[mr_is_region]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'mlx4\_SW2HW\_MPT\_wrapper'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'mr\_is\_region'.
