

dev/mmc/mmcbus\_if.m

```
graph TD; A[dev/mmc/mmcbus_if.m] --> B[sys/types.h]; A --> C[dev/mmc/mmcreg.h];
```

The diagram illustrates a dependency relationship. At the top, a grey rectangular box contains the text 'dev/mmc/mmcbus\_if.m'. Two blue arrows originate from the bottom edge of this box. The left arrow points to a white rectangular box containing 'sys/types.h'. The right arrow points to another white rectangular box containing 'dev/mmc/mmcreg.h'. All boxes have a thin black border.
