

nvd_strategy

```
graph LR; A[nvd_strategy] --> B[nvd_bio_submit]; B --> C[nvd_done];
```

The diagram illustrates a three-step process flow. It begins with a gray rectangular box labeled 'nvd_strategy'. A blue arrow points from this box to a white rectangular box labeled 'nvd_bio_submit'. A second blue arrow points from the 'nvd_bio_submit' box to a final white rectangular box labeled 'nvd_done'. All boxes have a black border.
