

`nvdimm_attach`

```
graph LR; A[nvdimm_attach] --> B[acpi_nfit_get_memory_maps_by_dimm]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text `nvdimm_attach`. The right box is gray with a black border and contains the text `acpi_nfit_get_memory_maps_by_dimm`. The arrow is a solid blue line with a triangular arrowhead pointing towards the right box.

`acpi_nfit_get_memory
_maps_by_dimm`
