

mbx_hdr

```
graph BT; A[mbx_lowlevel_set_loopback_mode] -.->|hdr| B[mbx_hdr];
```

The diagram illustrates a pointer relationship. At the top is a white rectangular box containing the text 'mbx_hdr'. Below it is a purple arrow pointing upwards. The arrow has a dashed purple shaft and a solid purple arrowhead. To the right of the arrow's shaft is the text 'hdr'. At the bottom is a wider, grey rectangular box containing the text 'mbx_lowlevel_set_loopback_mode'.
