

sli4_req_hdr_s

```
graph BT; A[sli4_req_common_read_transceiver_data_s] -.->|hdr| B[sli4_req_hdr_s];
```

The diagram illustrates a pointer relationship between two data structures. At the bottom, a gray-shaded box contains the text 'sli4_req_common_read_transceiver_data_s'. A dashed purple arrow points upwards from this box to a white box at the top containing the text 'sli4_req_hdr_s'. The arrow is labeled 'hdr' in the middle.
