

sli4\_mbox\_command\_header\_s

```
graph BT; A[sli4_cmd_read_link_stats_s] -.->|hdr| B[sli4_mbox_command_header_s]
```

The diagram illustrates a pointer relationship between two data structures. At the bottom, a gray-shaded box contains the text 'sli4\_cmd\_read\_link\_stats\_s'. A dashed purple arrow points upwards from this box to a white box at the top containing the text 'sli4\_mbox\_command\_header\_s'. The arrow is labeled 'hdr' in the middle.
