

write_bank_amd

```
graph LR; A[write_bank_amd] --> B[wait_operation_complete_amd]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'write_bank_amd'. The right box is white with a black border and contains the text 'wait_operation_complete_amd'. A blue arrow points from the right side of the first box to the left side of the second box.
