```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text 'pwm_backlight_attach'. The bottom box contains the text 'pwm_backlight_update' followed by a line break and '_status'. On the right, there is a single box containing the text 'pwm_backlight_find' followed by a line break and '_level_per_percent'. Two blue arrows originate from the right side of the top-left box and the right side of the bottom-left box, both pointing towards the left side of the rightmost box.
