

random\_harvest\_queue\_

```
graph LR; A[random_harvest_queue_] --> B[get_cyclecount]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'random\_harvest\_queue\_'. The right box is white and contains the text 'get\_cyclecount'. A blue arrow points from the right side of the gray box to the left side of the white box.
