

random\_kthread

```
graph LR; A[random_kthread] --> B[random_sources_feed]
```

A diagram illustrating a flow or dependency. On the left, a white rectangular box with a black border contains the text "random\_kthread". A blue arrow points from the right side of this box to the left side of a second rectangular box on the right. This second box is shaded gray and also has a black border, containing the text "random\_sources\_feed".
