

read_random

```
graph LR; A[read_random] --> B[randomdev_wait_until_seeded]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'read_random'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'randomdev_wait_until_seeded'.
