

rtwn\_bulk\_tx\_callback

```
graph LR; A[rtwn_bulk_tx_callback] --> B[rtwn_switch_bcnq]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'rtwn\_bulk\_tx\_callback'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'rtwn\_switch\_bcnq'.
