

r92c_lc_calib

```
graph LR; r92c_lc_calib --> rtwn_rf_setbits
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'r92c_lc_calib'. The right box is white with a black border and contains the text 'rtwn_rf_setbits'. A blue arrow points from the right side of the left box to the left side of the right box, indicating a dependency or relationship between the two components.
