

sfxge_ev_software

```
graph LR; A[sfxge_ev_software] --> B[sfxge_rx_qflush_failed];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'sfxge_ev_software'. The right box is gray with a black border and contains the text 'sfxge_rx_qflush_failed'. A blue arrow points from the right side of the first box to the left side of the second box.
