

ef10_nic_init

```
graph LR; A[ef10_nic_init] --> B[ef10_nic_alloc_piobufs];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'ef10_nic_init'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'ef10_nic_alloc_piobufs'.
