

siena\_nic\_init

```
graph LR; A[siena_nic_init] --> B[siena_phy_reconfigure]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'siena\_nic\_init'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'siena\_phy\_reconfigure'.
