The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text 'siena_nvram_partn_get' followed by '_version' on the next line. The bottom box contains the text 'siena_nvram_partn_set' followed by '_version' on the next line. On the right, there is a single, wider box containing the text 'siena_nvram_get_subtype'. Two blue arrows originate from the right side of the top-left box and the right side of the bottom-left box, both pointing towards the left side of the right-hand box.
