

hdaa_pcm_attach

```
graph LR; A[hdaa_pcm_attach] --> B[hdaa_audio_ctl_set_defaults]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'hdaa_pcm_attach'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'hdaa_audio_ctl_set_defaults' on two lines.
